

# 4DESIGN<sup>®</sup>

*“Helping businesses succeed through the practice of creative design and engineering innovation.”*

## Who Are 4DESIGN?

4design are an internationally recognised and multi award winning industrial design consultancy.

4design have extensive experience in all aspects of product development and manufacture.

Our service is customer driven and represents the very best in industrial design excellence.

Knowledge, passion and an obsession for detail defines our team.

## Why Use 4DESIGN?

Our clients have often said that 4design deliver where others fail.

The principals of 4design have over 25 years experience at the pinnacle of global design.

We stay with the project and support our clients every step of the way because that is what it takes to create world leading products.

## What We Do.

- + product design
- + research and feasibility
- + trend analysis
- + ergonomics
- + user experience
- + sustainable product design
- + graphic design
- + user interface design
- + mechanical design
- + electronics
- + technical specification
- + manufacture documentation
- + manufacture procurement
- + visual models
- + prototyping
- + short run prototyping
- + production management
- + project management
- + engineering
- + materials analysis
- + short run production
- + high volume production
- + parts supply
- + reverse engineering
- + sheetmetal design
- + injection molding design
- + thermal analysis
  
- + and beyond...
